

THE WHITE HOUSE

WASHINGTON

September 8, 1995

Greetings to all those gathered to celebrate the twenty-fifth anniversary of Medgar Evers College.

Excellence in education is the key to our future. For twenty-five years, the faculty and staff of Medgar Evers have been offering an ideal learning opportunity for their students and preparing them for the responsibilities that lie ahead. Our nation relies on schools such as yours to supply the knowledge and skills necessary to compete in the twenty-first century. I am confident that Medgar Evers College will continue to endow future generations with expertise and guidance.

Best wishes for a memorable celebration.
