

The Human Side of Health: Careers in Care, Culture, and Community

Join us for a panel discussion and networking event sponsored by the Modern Language Association, in collaboration with the Center for Career & Professional Development, Career Connected Learning, and the Liberal Arts: Health Humanities.

Learn from health experts' real-life stories, insights, and practical advice, and connect with mentors who've turned passion into purpose.

Refreshments will be available!

Thursday, November 13

3:00 PM - 5:00 PM

E-Building, Room E-500
