Bug Day is Educational - & Accredited!

Bug Day is Manitoba’s largest healthcare education event. After attending Bug Day, you will be able to:

• Promote infection prevention and control principles and practices
• Promote hand hygiene awareness and safe health practices for the prevention of infection
• Identify emerging and existing pathogens, at-risk populations and situations relevant to the transmission of infection, and how we can modify these conditions

This event was co-developed with the CPD Medicine Program, University of Manitoba and was planned to achieve scientific integrity, objectivity and balance.

This event meets the accreditation criteria of The College of Family Physicians of Canada and has been accredited by the CPD Medicine Program, University of Manitoba for up to 5.5 Mainpro-M1 credits.

This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada, and approved by the CPD Medicine Program, University of Manitoba for a maximum of 5.5 hours.

Participants should only claim credit for the actual number of hours attended.

The University of Manitoba CPD Medicine Program is fully accredited by the Committee on Accreditation of Continuing Medical Education (CACME).

This program has been accredited for a maximum of 5.5 CEUs by the College of Pharmacists of Manitoba for pharmacists in Manitoba. CPhM File No. 15043M.

Attendance at Bug Day by Registered Nurses, Registered Psychiatric Nurses and Licensed Practical Nurses may contribute to fulfillment of their continuing competence program self-development plan.

Bug Day is accepted by the College of Medical Laboratory Technologists of Manitoba for continuing education credits.

Onsite registration is required for anyone who wishes to collect credits for attendance at this event.

Who Should Attend?

If you are interested in the prevention and control of communicable diseases and health issues in the community or healthcare setting, Bug Day is for you!

Bug Day Needs Your Support!

Please bring a cash donation, or make a donation online at www.hscfoundation.mb.ca, (Choose Donate Now Button and direct your donation to the “Bug Day fund” in the drop-down box). Receipts for tax purposes will be issued by the Health Sciences Centre Foundation for donations.
