# Scholarship Selection Criteria

Agency must send a letter of reference indicating:

- Employee is in good standing with the Agency;
- Agency intends to continue employee's participation in the School through the program;
- Agency and employee understand the level of commitment required for School participation.

Applicant must send a letter of interest stating:

- Why they want to attend;
- Why they need the scholarship;
- How attending will aid in accomplishing their career goals.

Criteria considered in awarding scholarships includes:

- The applicant's clear statement of career goals and how they will be advanced by attending the School;
- Efforts made by the applicant to fund the tuition, apart from the scholarship;
- A description of the applicant's agency;
- If the applicant has attended in previous years, his or her good standing with the School.

Primary Award Criteria:

- Active professional membership as an individual (or agency membership) in CPRS;
- First year only;
- California based agency;
- One-time award;
- Summary of 200 words max about the benefits of participation (knowledge gained, tools taught, marshalling of resources) due to the Regent Vice Chair December 1<sup>st</sup> for publishing on the CPRS website.

Priority will be given to 50% scholarships needs – should more than one request for a 50% scholarship be received, these requests will be given priority over full scholarship requests.

Scholarship dollars are applicable to School tuition, which includes lodging and meals. It does not cover the costs of travel, transportation from Ontario airport or other expenses.

Scholarship requests will be accepted beginning July 1 and are **due by September 1** of that school year. Applicants will be notified of the results by October 1. If awarded, please complete the maintenance school registration form and make payment to CPRS for any balance owed.

The Scholarship Selection Committee is comprised of individuals who have been awarded the status of Regent Emeritus or have served as Regents in the past. They have each made a significant and continuing contribution of the Maintenance Management School during their tenure as Regents. Their evaluation and recommendations will determine the scholarship awards.
