American Egg Board

ONLINE EGG CURRICULUM

Professional development opportunity from the American Egg Board:

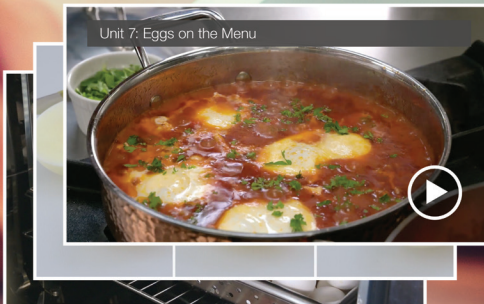

Comprehensive online education course, teaching foundational egg cooking skills, food safety, and lessons on egg science and functionality.

- **30 American Culinary Federation CE credits**
- **Free enrollment thru 12.31.2020**

Powered by Rouxbe, the world's leading online culinary school, this one-of-a-kind egg curriculum provides training tailored to foodservice chefs managing made-to-order operations and high-volume made-to-hold operations, as well as R&D professionals and culinologists, wanting to perfect their food formulations.

Video-based learning modules available 24/7

- **Egg Foundations** (foodservice focused)
- **Egg Functionality** (food manufacturing focused)

POWERED BY **ROUXBE**
