Organize

Hollaender International Course

“ENVIRONMENTAL HEALTH AND CANCER”

2nd – 5th June 2004

Institute of Public Health Iasi – Romania

GOALS: To gain knowledge regarding the environmental risk factors and the impact on human's health, especially risk factors in cancer.

ORGANIZERS:

U.S.A.

William W. Au, Ph.D.

ROMANIA

Luminita Smaranda Iancu, Ph.D, M.D.

INVITED LECTURERS: William W. Au (USA), Radu Branisteanu (Romania), Eugen Carasievici (Romania), Angelo Carere (Italy), Antonina Cebulska-Wasilewska (Poland), Nicolae Ghilezan (Romania), Gabriel Gulis (Denmark), Luminita Smaranda Iancu (Romania), Lawrence Loeb (USA), Radim Sram (Czech Republic)

SHORT-COURSE SCHEDULE:

June 2: Introduction in Environmental Health and Cancer Features

June 3: Environmental Risk Factors and Health

Posters presentation

June 4: Viral Risk Factors and Prevention in Cancer

June 4, afternoon: Workshop – Biomarkers for Health Risk

LANGUAGE: English

PARTICIPATION: Registration is limited to 70 participants.

REGISTRATION FEE: The fee entitles the participants to the following benefits: program booklet, participation in all scientific sessions, coffee breaks, welcome party and farewell party.

The registration fee for accompanying persons includes admission to the opening ceremony, welcome party, farewell party and entrance to the exhibition.

POSTER SESSION

The Committee's course will offer you the opportunity to present as poster your experience in the domain of "*Environmental Health and Cancer*". The poster session will be limited for 30 presentations. For selection of presentations, we will need to have the following information: title, authors and abstract (250 words).

Deadline for poster title and abstract: **15th November 2003**.

Selected poster will be listed on our web site (www.pub-health-iasi.ro/events) before **15th December 2003**.

AWARDS

- Alexander Hollaender Fund offers 8 fellowships (\$ 150/ fellowship) for selected participants (from Eastern Europe and Romania) depending on CV and published papers list.
- For poster session, Alexander Hollaender Fund offers 3 awards: free electronic subscriptions for five years to the Environmental and Molecular Mutagenesis Journal.

ELIGIBILITY:

- Age under 35 year old;
- Poster/paper's quality
- CV and list of publication

THE REGISTRATION LETTER MUST CONTAIN:

1. *Curriculum Vitae* with the address, fax number and e-mail.
2. A short description of the reasons for attending the course.
3. A list of publications.

You can send your data to “**on line registration**” (see our web site/events).

The participants will receive the response before **20th October 2003**.

Cancer and Environmental Health – Epidemiological Aspects.
Gabriel Gulis, Denmark

11.30 – 12:00

Discussions

12:00 – 13:00

From Mutagenesis to Carcinogenesis
Lawrence Loeb, USA

13:00 – 13.30

Discussions

13.30 – 15.00

Lunch

Afternoon:

15.00 – 16.00

Cancer Micro-Environment and Immune Response to Cancer

Eugen Carasievici, Romania

16.00 – 16.30

Discussions

16.30 – 17.30

Genetic Susceptibility to Environmental Cancer

William W. Au, USA

17.30 – 18:00

Discussions

BIOMONITORING OF POPULATIONS OCCUPATIONALLY
EXPOSED TO URBAN AIR POLLUTANTS

ANGELO CARERE, ITALY

20.00 ➡

The Get Together Reception

Thursday, June 3

Morning: Environmental Risk Factors and Health

9.00 – 10.00

Population Monitoring for Health Hazards from Air Pollution

Radim Sram, Czech Republic

10.00 – 10.30

Discussions

10.30 – 11.30

Modern Concepts Concerning Electromagnetic Fields Implications
in Carcinogenesis

Razvan Danulescu, Romania

11.30 – 12.00

Discussions

12.00 – 13.30

Poster presentation and coffee break

13.30 – 15.00

Lunch

Afternoon:

15.00 – 16.00

Chemical Carcinogens – Classification and Assessment of Exposure Risk

Radu Branisteanu, Romania

16.00 – 16.30

Discussions

16.30 – 17.30

Health Hazards from Exposure to Pesticides

Antonina Cebulska-Wasilewska, Poland

17.30 – 18.00

Discussions

19.00 ➡➡

Farewell Party and award ceremony

Friday, June 4

Morning:

9.00 – 10.00

Viral Hepatitis and Cancer

Luminita Smaranda Iancu, Romania

10.00 – 10.30

Discussions

10.30 – 11.30

Cancer Prevention: Principles and Practice

Nicolae Ghilezan, Romania

11.30 – 12.00

Discussions

12.00 – 13.30

Lunch

Afternoon:

13.30 – 16.00

Workshop – “Biomarkers for Health Risk”

W. Au, A. Cebulska-Wasilewska, L. Iancu, R. Sram

16.00 – 16.30

Coffee break

16.30 – 17.30

Discussions

17.30 ➡➡

Course evaluation and closure remarks

Saturday, June 5
Trip on the Moldavien Monastries
