6. Click "Seed" at the top when ready to seed

The screenshot shows the Battlelog interface for Battlefield 4 Premium. At the top, the 'SEED (1)' button is circled in red. Below it, the 'MULTIPLAYER' section is active, showing a list of servers under the 'FAVORITES' tab. The server '[XtG] XTREMEGAMERS.CA: HC ALL MAPS - NO STUPID RULES' is selected, and a star icon is visible in the 'SEED' column. A 'BF4 SEEDER' window is open, displaying 'All servers are populated!' and a 'STOP' button. The server list also shows a 'JOIN SERVER' button and a 'SEED TO' dropdown menu set to '32 / 64'. The interface includes various settings like 'Preset: Hardcore', 'Type: Ranked', and 'Tick rate: 30 Hz'.
