

Asian Development Bank Liaison Office FOREIGN GOVERNMENT TENDERS

CS ADB
April 2015

ASIA & PACIFIC: PROCUREMENT NOTICES FOR FOREIGN GOVERNMENT TENDERS

This Foreign Government Tender report from the US Commercial Service Asian Development Bank Liaison Office (CS ADB) augments our series of regular monthly reports that give U.S. exporters advance information on Asian government tenders. This report covers advance and ongoing procurement, as well as recruitment of consultants for projects that are funded by the ADB.

U.S. firms may submit their bids directly to the executing agency listed on the procurement notice. Details of the bidding procedures are stated in the Bidding Documents issued by the executing agency or otherwise stated in the procurement notice.

U.S. firms are encouraged to keep in contact with CS ADB, especially if they decide to participate in ADB procurement activities. This office works closely with the Office of the U.S. Executive Director (US/ED) to the ADB to increase American awareness of and participation in ADB's procurement activities.

Attention: Ms. Margaret Keshishian, Director/Senior Commercial Officer

II. ADVANCE PROCUREMENT ACTION

Advance action is an early procurement done by the borrowing government prior to ADB's approval of the related financing agreement.

BANGLADESH

Second SASEC Bangladesh-India Electrical Grid Interconnection Project

Executing Agency: Power Grid Company of Bangladesh Ltd (PGCB)
Company Secretary
Institution of Engineers Bangladesh (IEB) Bhaban
4th Floor, Ramna, Dhaka-1000, Bangladesh
Tel.: +880-2-955-5475, 955-0514, 956-8054; Fax: +880-2-717-1833
E-mail: se-design@pgcb.org.bd

Brief Project Description: Bangladesh has applied for financing from Asian Development Bank towards the cost of Second SASEC Bangladesh-India Electrical Grid Interconnection Project. Part of this loan will be used for payments for construction of Second Block of 1 x 500MW HVDC Back to Back Station at Bheramara (Bangladesh) at existing Bheramara HVDC Station to be procured as advance actions.

Brief Description of Goods and Related Services, Works or Consulting Services to be procured: Turnkey of Second Block of 1 x 500MW HVDC Back to Back Station

CHINA

Xinjiang Akesu Integrated Urban Development and Environment Improvement Project

Brief Project Description: The project will improve much needed urban infrastructure facilities and the environment in Akesu City (Akesu), XUAR. As the first proposed Asian Development Bank (ADB) urban sector loan in southern XUAR, the project will contribute to sustainable economic growth and improve the quality of life for about 509,200 urban residents in Akesu, with a specific focus on the rehabilitation and upgrading of existing urban areas with high ethnic minorities populations.

The project has three outputs:

(i) Output 1: Urban infrastructure and services improved. Output 1 is composed of six components supported by inclusive employment opportunities: (a) 75 kilometer (km) of urban roads constructed or upgraded, including upgrading of 19 roads, construction of two new roads with, upgrading of alleys in four ethnically-concentrated, peri-urban communities and two pilot "living streets", construction of 178 bus stops, construction of 19.1 km of separated motorized and non-motorized lanes, construction of one universal access underpass, construction of two new bridges, and construction and/or upgrading of associated traffic signals, street lights, utility pipelines, and landscaping; (b) six public and street parks upgraded, with a total of 122,826 square meters (m²) of construction area, including 97,017 m² of green space and the construction of a 64 hectares (ha) nursery; (c) 38.0 km of urban water supply pipes constructed; (d) 78.0 km of urban sewers and 2,024 inspection manholes constructed; (e) 43.6 km of central heating pipelines and 28 heat exchange stations constructed; and (f) street cleaning and waste collection and transportation equipment and vehicles procured and a one 600 ton-per-day waste transfer station constructed.

(ii) Output 2: Akesu Duolang wetland rehabilitated and protected. Interventions toward this output are located within the ecological conservation and restoration zone of the Akesu Duolang River National Wetland Park, and include (a) rehabilitation of 95.7 ha of degraded wetland; (b) establishing 4.3 ha of wetland forest shelter belts; (c) constructing wetland protection infrastructure, including management

station and patrol roads; (d) improving wildlife protection through a wetland and biodiversity research laboratory, monitoring sites and monitoring equipment, and the establishment of a wildlife rescue and disease control center; and (e) establishing wetland public education facilities.

(iii) Output 3: Project and urban environmental management and inclusive capacity enhanced. Output 3 will build the capacity of key local project partners for the successful implementation, and operation and management of project facilities. This is achieved through the following components: (a) project performance management system prepared and updated; (b) tendering, procurement, contract management, and financial management undertaken; (c) construction supervision undertaken; (d) stakeholder consultations conducted; (e) environmental and social safeguards ensured; (f) regular monitoring and evaluation undertaken; (g) reporting requirements met; (h) 2,000 person-times of training provided, including 50% women and ethnic minorities; and (i) technical guidance provided on environmentally sustainable and socially inclusive urban infrastructure.

Brief Description of Goods and Related Services, Works or Consulting Services to be Procured and Retroactive Financing: ADB has approved advance contracting and retroactive financing for smooth project implementation. Advance contracting will include: (i) tendering, bid evaluation, and award of contracts for civil works and equipment contract packages up to the recommendation of contract award; and (ii) recruitment of consultants. The issuance of invitations to bid and bidding documents under advance procurement action will be subject to ADB approval. The government was informed that as a general rule, retroactive financing is permitted only if: (i) it is specifically agreed by ADB and the Borrower; (ii) the goods, works, services, and consultants for which it is requested are procured in accordance with ADB's Procurement Guidelines (2013, as amended from time to time) and ADB's Guidelines on the Use of Consultants (2013, as amended from time to time); (iii) the amount to be retroactively financed does not exceed 20% of the loan amount; and (iv) the expenditures must have been incurred before effectiveness of the relevant loan but, generally, no earlier than 12 months before signing of the Loan Agreement. In either instance, detailed assessments (due diligence) on each retroactive financing proposal must demonstrate that (a) the expenditures incurred are genuine, reasonable, and material to getting the project off the ground; and (b) they were incurred for proper reasons, in a transparent manner over a reasonable period of time. The retroactive financing will include four civil works contract packages (all national competitive bidding), six goods/equipment contract packages (four national competitive bidding and two shopping) and two consulting services contract packages (one quality- and cost- based selection and one individual consultant selection).

INDIA

A. Bihar New Ganga Bridge Project

Brief Project Description: The Government of India intends to apply for a loan from the Asian Development Bank (ADB) for the Bihar New Ganga Bridge Project. The project outputs will be: (i) a newly built bridge across Ganges river; and (ii) enhanced bridge operation and management capacity.

The executing agency will be the State Government of Bihar acting through Bihar State Road Development Corporation Limited (BSRDCL). The main civil works with related consulting services for project management will both be procured as advance actions.

Brief Description of Goods and Related Services, Works or Consulting Services to be Procured and Retroactive Financing: All procurement of goods and works will be undertaken in accordance with ADB's Procurement Guidelines (March 2013, as amended from time to time). All consultants will be recruited according to ADB's Guidelines on the Use of Consultants (March 2013, as amended from time to time).

The proceeds of the loan are intended to be used for the procurement of the following through international competitive bidding procedure:

- (i) Engineering, procurement, and construction (EPC) of a six lane bridge structures of 9.760 kilometer approach viaduct and roads of 1.5 kilometers from south and 8.5 kilometers from north, tolling and service facilities, and widening 3 kilometers of NH-103
- (ii) Consulting services: Project Management and Authority Engineer

Contact: Mr. Vijay Shanker, Chief General Manager
Government of Bihar through
Bihar State Road Development Corporation Limited (Executing Agency)

Tel.: +91 612 222 6711; Fax: +91 612 222 6723; E-mail: vijayshanker1957@gmail.com

B. Assam Power Sector Investment Program – Tranche 2

Brief Project Description: The proposed project for Tranche 2 will have three major outputs: (i) Expansion of the distribution system; (ii) Upgrading existing distribution system; and (iii) Strengthening capacity of APDCL and customer services. Component 1 will add a new 33kV/11kV substation, 33 kV and 11 kV lines, rivers crossings and railway crossings. Component 2 undertakes rehabilitation and refurbishment of lines and replacement of oil filled distribution transformers with dry types. A load flow study up to the 11 kV bus of the 33/11 kV substation proposed in this project, along with load flow studies on the existing 33 kV, 11 kV and LV lines proposed for rehabilitation, refurbishment and re-conductoring, has been carried out to examine the service quality and losses in the existing system, and to examine options for improvement. Results indicate the need to strengthen the existing distribution network at sub-transmission levels with new 33 kV circuits, and re-conductoring some existing lines with larger conductors. Above mentioned study indicates that a loss reduction of about 50 MW (a 50% reduction in total technical losses in the project area) can be realized with the proposed investments.

Brief Description of Goods and Related Services, Works or Consulting Services to be Procured and Retroactive Financing: ADB has approved the Government's request for advance contracting to expedite project implementation. Advance contracting will include: (i) preparation of tender documents for five (5) ICB packages, (ii) evaluation of bids and (iii) recruitment of consulting firm using QCBS for project management, supervision and implementation support.

E-mail: pmu_aseb@rediffmail.com; pmu.assampower@gmail.com

C. National Green Energy Corridor Investment Project

Brief Project Description: The project's impact will be increased access to reliable clean energy supply. The outcome will be expanded transmission system capacity to absorb electricity from renewable energy sources. This would be achieved through the following outputs by 2019: (i) green energy corridor development in the northern region; (ii) real time measurement and monitoring system installed; (iii) increased grid stability and reduced grid disturbances, (iv) increased western southern grid connectivity, and (v) improved smart grid implementation capability of Powergrid.

Brief Description of Goods and Related Services, Works or Consulting Services to be Procured and Retroactive Financing: ADB has approved the Government's request for advance contracting to expedite project implementation. Advance contracting will include: transmission lines, substations, and related transmission system related equipment (static compensators), real time measurement and monitoring equipment (e.g. 'smart grid' equipment), and other transmission system related equipment. The advance contracting will be undertaken following ADB Procurement Guidelines.

PAKISTAN

MFF Power Distribution Enhancement Investment Program II

Executing Agency: Ministry of Water and Power
Block A Secretariat Bldg., Islamabad, Pakistan
Fax: 9251-920 6272

Brief Project Description: The investment program aims to improve the financial viability of Pakistan's power distribution sector. By introducing advanced metering infrastructure (AMI) to power distribution companies (DISCOs) throughout Pakistan, the investment program would: (i) reduce power distribution losses, and improve revenue collection; (ii) reduce power outages by enhancing load control and load management; (iii) provide automated power consumption data; (iv) modernize the electricity metering and billing system; and (v) improve customer services by installation of customer information system (CIS). Funds under the investment program will be provided for metering, data management and communication systems, and CIS and billing systems, including installation and supporting infrastructure. AMI will be implemented in several phases to cover Pakistan's major cities, industrial and commercial hubs.

Brief Description of Works and Consulting Services to be procured: Under tranche 1 of the investment program, two contracts for advanced metering systems will be procured under International Competitive

Bidding (ICB) procedures in accordance with ADB's Procurement Guidelines (2013, as amended from time to time).

Consultants for project preparation and project implementation will be recruited in accordance with The Guidelines on the Use of Consultants by the Asian Development Bank and its Borrowers (2013, as amended from time to time).

It is expected that bidding for the first AMI contract will commence in first quarter of 2015.

III. PROCUREMENT NOTICES

Specific procurement notices are notification of imminent bidding opportunities generated from ADB-funded projects and programs. The actual procurement notice as posted by ADB may be accessed by clicking on the project or program title.

ARMENIA

A. Water Supply and Sanitation Sector Project - Additional Financing [L2860-ICB-1-09/2]

Loan No.: 2860-ARM

Contract No. and Title: L2860-ICB-1-09/2: Improvement of Water Supply Systems in Meghrashen, Panik and Spandaryan villages (Shirak region)

Deadline for Submission of Bids: **15 April 2015**, 15:00 (local time)

The Armenian Water and Sewerage CJSC ("the Employer") invites sealed bids from eligible bidders for the construction and completion of L2860-ICB-1-09/2, Improvement of Water Supply Systems in Meghrashen, Panik and Spandaryan villages (Shirak region)

The Works consists of:

Meghrashen village

- Construction of 11.5km length, de225-de40 PE waterlines,
- Construction of 3.0km length, de32-de20 PE inlet lines for private houses with installation of 355 water meter chambers.

Panik village

- Renovation of 250m³ capacity DRR, reconstruction of technological units and replacement of pipes,
- Construction of 18.0 km length, d200-de50 PE waterlines,
- Construction of 4.3km length, de32-de20 PE inlet lines for private houses with installation of 480 water meter chambers.

Spandaryan village

- Renovation of 250m³ capacity DRR, reconstruction of technological units and replacement of pipes,
- Construction of 6.7km length, d160-de40 PE waterlines,
- Construction of 2.5km length, de32-de20 PE inlet lines for private houses with installation of 235 water meter chambers.

Only eligible bidders with the following key qualifications should participate in this bidding:

- Minimum average annual construction turnover of US \$2,500,000 calculated as total certified payments received for contracts in progress or completed, within the last 3 (three) years.
- Access to or availability of financial resources such as liquid assets, unencumbered real assets, lines of credit and other financial means, other than any contractual advance payments for the amount US \$400,000.

- Participation as contractor, management contractor, or subcontractor, in at least 1 (one) contract within the last 3 (three) years, each with a value of at least US \$1,065,000 that has been successfully or is substantially completed and that is similar to the proposed works. The similarity shall be construction of 10km of PE Pipelines.
- All pending litigation shall be treated as resolved against the bidder and so shall in total not represent more than 50% of the bidder's net worth.

F. Hunan Technical and Vocational Education and Training Demonstration Project [HNWLE01]

Loan No.: 3010-PRC

Contract No. and Title: HN-WL-E01 Contract of Hunan Network Engineering Vocational College
Procurement of Lifts and Elevators financed by ADB loan

Deadline for Submission of Bids: **28 April 2015**, 9:00 a.m. Beijing Time

MINMETALS International Tendering Co., Ltd. "the Tender Agent, MITC", authorized and on behalf of Hunan Network Engineering Vocational College (the "Purchaser") to act for and on its behalf, invites sealed Bids from eligible Bidders for Lifts and elevators. Required Goods' arrival time or service completing time is within 150 days after contract signing. Please find more details in following chart:

Item No.	Name of Goods or Service	Quantities
1	Passenger Elevator with Machine Room	4
2	Passenger Elevator with Machine Room	2
3	Passenger Elevator with Machine Room	2
4	Passenger Elevator with Machine Room	2
5	Passenger Elevator with Machine Room	1

Location of projects: No. 168, Qingyuan Road, Changsha.

Delivery Period: From 15 May 2015 to 15 August 2015

E. Power Distribution Enhancement Investment Program - Tranche 4 [ADB-MEPCO-Tranche-IV - Package # 2]

Loan No.: 3096-PAK

Contract No. and Title: ADB-MEPCO-Tranche-IV - Package # 2 (Civil Works)

Construction of Civil Works of Power Transformer Bay, 11KV Switch Room and Control Room Extension etc. at Various 132KV Grid Stations

Deadline for Submission of Bids: **12 May 2015**, 11:00 am (local time)

The Multan Electric Power Company Limited (“the Employer”) invites sealed bids from eligible bidders for the construction and completion of the following (“Facilities”).

Construction of Civil Works for:

▪ Lot-1:

- a) Power Transformer Bay and allied works at 132KV Grid Station Chak-211/W.B
- b) Power Transformer Bay, 11KV Switch Room Extension etc. at 132KV G/S Basti malook
- c) Power Transformer Bay and allied works at 132KV Grid Station Shujabad
- d) Power Transformer Bay and allied works at 132KV Grid Station Haroonabad
- e) Power Transformer Bay, 11KV Switch Room Extension etc. at 132KV G/S Qabula
- f) 11KV Switch Room Extension at 132KV Grid Station Jahanian
- g) 11KV Switch Room Extension at 132KV Grid Station Vehari
- h) 11KV Switch Room Extension at 132KV Grid Station Mailsi
- i) 11KV Switch Room Extension at 132KV Grid Station Sahuka

▪ Lot-2:

- a) Power Transformer Bay, 11KV Switch Room & Control Room Extension etc at 132KV Grid Station Layyah,
- b) Power Transformer Bay, Control Room Extension etc. at 132KV G/S Noor Ahmad Wali
- c) Power Transformer Bay, 11KV Switch Room Extension etc. at 132KV G/S Chowk Munda

d) Power Transformer Bay, Control Room Extension etc. at 132KV G/S Kot Addu

▪ Lot-3:

- a) Power Transformer Bay and allied works at 132KV Grid Station Sahiwal New
- b) Power Transformer Bay, 11KV Switch Room Extension etc. and allied works at 132KV G/S Mian Channu
- c) Power Transformer Bay, 11KV Switch Room Extension etc. at 132KV Grid Station Kacha Khou
- d) 11KV Switch Room Extension at 132KV Grid Station Harappa
- e) 11KV Switch Room Extension at 132KV Grid Station Pakpattan
- f) 11KV Switch Room Extension at 132KV Grid Station Khanewal Road Multan
- g) 11KV Switch Room Extension at 132KV Grid Station Qadirabad

▪ Lot-4:

- a) Power Transformer Bay and allied works at 132KV Grid Station Khair Pur Sadat
- b) Power Transformer Bay and allied works at 132KV Grid Station Kot Chutta
- c) Power Transformer Bay and allied works at 132KV Grid Station Sakhi Sarwar
- d) Power Transformer Bay and allied works at 132KV Grid Station Uch Sharif
- e) Power Transformer Bay, Control Room Extension etc. at 132KV Grid Station Ahmad Pur East

Bidders may bid for any number or all of the lots.

Only eligible bidders with the following key qualification should participate in this bidding:

a) Participation in at least two contracts that have been successfully or substantially completed within the last five (5) years and that are similar to the proposed works. The bidder's participation in each of the two contracts shall exceed the value of corresponding lot for which the bidder submitted its bid as presented below.

- Lot-1 - PKR 16 Million
- Lot-2 - PKR 16 Million
- Lot-3 - PKR 14.4 Million
- Lot-4 - PKR 8.8 Million

The similarity shall be based on the physical size, complexity, methods, technology or other characteristics as described in Section 6 (Employer's Requirements).

b) The bidder should have sound financial status. The difference between cash in hand and short term liabilities should be positive. Minimum average annual construction turnover calculated as total certified payments received for contracts in progress or completed, within the last three (3) years as follows:

- Lot-1 - PKR 40 Million
- Lot-2 - PKR 40 Million
- Lot-3 - PKR 36 Million
- Lot-4 - PKR 22 Million

TAJIKISTAN

Golovnaya 240-Megawatt Hydropower Plant Rehabilitation Project [TAJ/BT/ICB-1]

Grant No.: 0376-TAJ

Contract No.: ADB Grant 0376 – TAJ/BT/ICB-1

Deadline for Submission of Bids: **15 May 2015**, 15:00 pm (Dushanbe time)

The Open Stock Holding Company “Barqi Tojik” (“the Employer”) invites sealed bids from eligible bidders for the construction and completion of Golovnaya 240 MW HPP Rehabilitation Project (“the Facilities”).

The existing 240 MW Golovnaya Hydroelectric Power Plant located on the Vakhsh River, is to be refurbished and upgraded under two separate turnkey contracts. The first contract, for which this Invitation for Bids is being issued, is for the replacement of water-to-wire equipment for 3 of the 6 units, partial refurbishment of 2 other units, new control systems, refurbishment/replacement of spillway facilities and powerhouse operating equipment, civil and building works and environmental mitigation measures. The second contract, which will be tendered later, is for the replacement of electric equipment and control systems for the 220/110/10 kV Switchyard.

Initial evaluation of bids will be done using a pass/fail system where bidders must meet a minimum set of criteria. These criteria are summarized as follows:

- Eligibility:
 - bidder is a national or is constituted, incorporated, or registered of an ADB member country;
 - bidder does not have any conflict of interest;
 - bidder has not been declared ineligible by ADB;
 - bidder is not owned by the Government of Tajikistan;
 - bidder must not have not been excluded by an act of compliance with UN Security Council resolution or Tajikistan country law.
- Financial Situation:
 - bidder must have an average annual turnover of USD forty (40) million within the last three years;
 - bidder must be able to demonstrate access to USD six (6) million for cash-flow.
- Experience:
 - five years of relevant experience as a contractor, subcontractor or management contractor;

Submitting Expressions of Interest

Consultant selection for technical assistance grants are based on the consultant's prior Expression of Interest (EOI). A good EOI should reflect the firm's experience and expertise in relation to the ADB project being pursued. It is important for a U.S. firm to emphasize this, or similar project experience in the country or in a similar geographic area rather than state a general profile of its consulting activities. When submitting an EOI, the project name should exactly match the one listed in this report to avoid confusion. Each project requires a separate EOI.

An EOI should be submitted on-line through the ADB website at https://uxdmz06.adb.org/OA_HTML/adb/adbpos/jsp/ADBCMSLogin.jsp.

Registering Consulting Firms and/or Individual Consultants

The ADB consultants registration system has been revised into a new and integrated system called **Consultant Management System (CMS)** for both consulting firms and individuals.

Records should be updated at least once a year; otherwise, inactive profiles will be de-activated and excluded from consultants' searches.

Visit www.adb.org/Consulting/cms.asp for more information.

U.S. Commercial Service Liaison Office to the Asian Development Bank (CS ADB) and the U.S. Executive Directors to the ADB Office (USED)

U.S. firms are encouraged to keep in contact with the **U.S. Commercial Service Liaison Office to the Asian Development Bank (CS ADB)** especially when they decide to participate in ADB procurement activities. This office works closely with the Office of the U.S. Executive Director to the ADB (USED) to increase American awareness of, and participation in, the ADB's procurement activities.

For CS ADB assistance, please contact: Ms. Margaret Keshishian, Director (E-mail: Margaret.Keshishian@trade.gov)

U.S. firms may also notify their interest to pursue ADB business opportunities by sending a copy of their Expressions of Interest (EOI) to CS ADB to either of the following addresses:

U.S. mailing address:

Attention: CS/ADB
Unit 8600, Box 1565
DPO AP 96515-1565,

or international mailing address:

U.S. Embassy – NOX 2
1201 Roxas Boulevard,
Ermita, Manila 1000
Philippines
Phone: (63-2) 516 5093; Fax: (63-2) 516 6958
E-mail: Office.ManilaADB@trade.gov

For More Information

The U.S. Commercial Service Liaison Office to the Asian Development Bank, located in Makati City, Philippines can be contacted via e-mail at: Office.ManilaADB@trade.gov; Phone: 632 301 2000; Fax: 632 516 6958; or visit our website: <http://export.gov/adb>.
