Date and Time: Friday - June 8, 2018 - Time: Approximately 2-6 p.m.

This year will feature SKEET shooting. (Hitting clay targets with a shotgun)

What to bring:

- Your favorite shotgun, Grandpa's old shotgun, etc.
- Factory loaded shot shells (#7 1/2, #8, or #9 shot only permitted)
- Eye protection
- ear protection
- COST- \$6/round of 25 clay targets, \$9.50/box of ammo, \$15/shotgun rental in 12 or 20 gauge - \$31 to shoot a round of clays, \$16 without gun rental. Only \$6/round if you bring your own gun and ammo. (Naturally, I'll have extra shotguns I can loan)
- NOTE: Ammunition is available for purchase at the range.
- Minors may shoot, but must be accompanied by a legal parent or guardian

CONTEST- "Come one, Come all!" - I will personally take on all comers. Beat my score in Skeet and I will give you a bottle of wine, etc.

Prizes to be awarded.

This year I have arranged for participants to use my personally owned shotguns. I will have a selection of various shotguns along with appropriate ammunition at no cost to participants. Marcos Beaton has generously agreed to co-sponsor this event and has rented and reserved a skeet field exclusively for FACDL members. The only cost to members will be \$6/round of 25 clay targets.

This is Miami folks, so there will be traffic too and from the venue. If we leave immediately after the last seminar presenter on Friday at 1:00 p.m., traffic should be minimal, but will still take approximately 45 minutes to get there. We will be returning at approximately 5-6 p.m., but that should be against the opposite flow of Miami rush hour traffic.

For lunch options (or dinner), there is the famous "the Pit BBQ" approximately one mile from the range away from all the hustle and bustle of traffic. (The Pit- 16400 SW 8th Street.)

I am looking into the possibility of chartering a bus to take all participants over and back. Depends on the number of participants and costs.

Anyone in Miami have any contacts to rent a large bus CHEAP???
