BIDEN ADMINISTRATION NOMINATIONS

STATEMENT FROM GARY BOLTON PRESIDENT & CEO OF THE FIBER BROADBAND ASSOCIATION *October 27, 2021*

The Fiber Broadband Association applauds the Administration's nomination of Acting Federal Communications Commission chair Jessica Rosenworcel to chair, Gigi Sohn to fill the fifth seat on the FCC and Alan Davidson to head up NTIA. These nominations and anticipated confirmations are critical given the significant investment our country is making in its mission-critical fiber broadband infrastructure. We congratulate them on their nominations and look forward to working with them to ensure that all Americans are connected as soon as possible to future-proof fiber networks.
