This is a detailed topographic map of the Marikina River Basin in the Philippines. The map shows the Marikina River and its tributaries, including the Marikina River, Marikina Creek, and Marikina Falls. It also shows the La Mesa Reservoir and the Marikina Dam. The map is divided into various districts and barangays, with labels for many of them. A scale bar at the bottom indicates a distance of 2 kilometers. A QR code is located in the bottom right corner.
