A topographic map of a mountainous region, likely in the Himalayas, showing contour lines and a green shaded area. The map is overlaid with a grid of small, repeating text "API Key Required". A QR code is located in the bottom right corner. The map is framed by a black border with white circular markers at the corners. A scale bar at the bottom left indicates a distance of 2 kilometers. The text "TRUE NORTH" is visible next to the scale bar. The green shaded area is a large, irregular polygon covering a significant portion of the map. The contour lines are closely spaced, indicating steep slopes. The overall image has a high-contrast, somewhat grainy appearance, typical of a scanned document or a low-resolution print.
