This is a detailed street map of a city area, likely Bishkek, Kyrgyzstan, based on the street names and the QR code. The map shows a network of streets, with a prominent yellow line indicating a proposed route or boundary. The route starts near the bottom left, runs north, and then turns east, passing through several urban blocks. Key streets labeled include Мурманская улица (Murmanskaya Street), Баты Алыкулова (Baty Alykulova), Кзыл-Аскер (Kyzyl-Askar), and Льва Толстого (L'va Tol'stogo). The map also shows a railway line running horizontally across the middle. A scale bar at the bottom left indicates a distance of 400 meters. A QR code is located in the bottom right corner, which likely links to more information about the project. The map is oriented with North at the top, as indicated by the 'TRUE NORTH' label.
