

The map displays the central region of Brazil, specifically the states of Mato Grosso do Sul, Mato Grosso, and Goiás. A vertical line divides the study area into two sections, labeled A1 on the left and A2 on the right. The map includes geographical features such as rivers, roads, and protected areas like Terra Indígena and Parques Nacionais. A scale bar at the bottom indicates distances up to 200 kilometers. The map also shows major roads, rivers, and various protected areas like Terra Indígena and Parques Nacionais.
