

The map displays the Rio Pereira watershed, a blue-shaded area in the upper left. The Rio Pereira flows from the top left towards the center. Tributaries include Rio Rionegro (flowing from the top right) and Rio La Ceja (flowing from the bottom right). The town of Rionegro is shown as a cluster of brown buildings in the lower right. The Rio La Ceja is a prominent orange line flowing from the top right towards the center. The map includes a scale bar (0 to 100 meters) and a north arrow in the bottom left. A QR code is located in the bottom right corner.

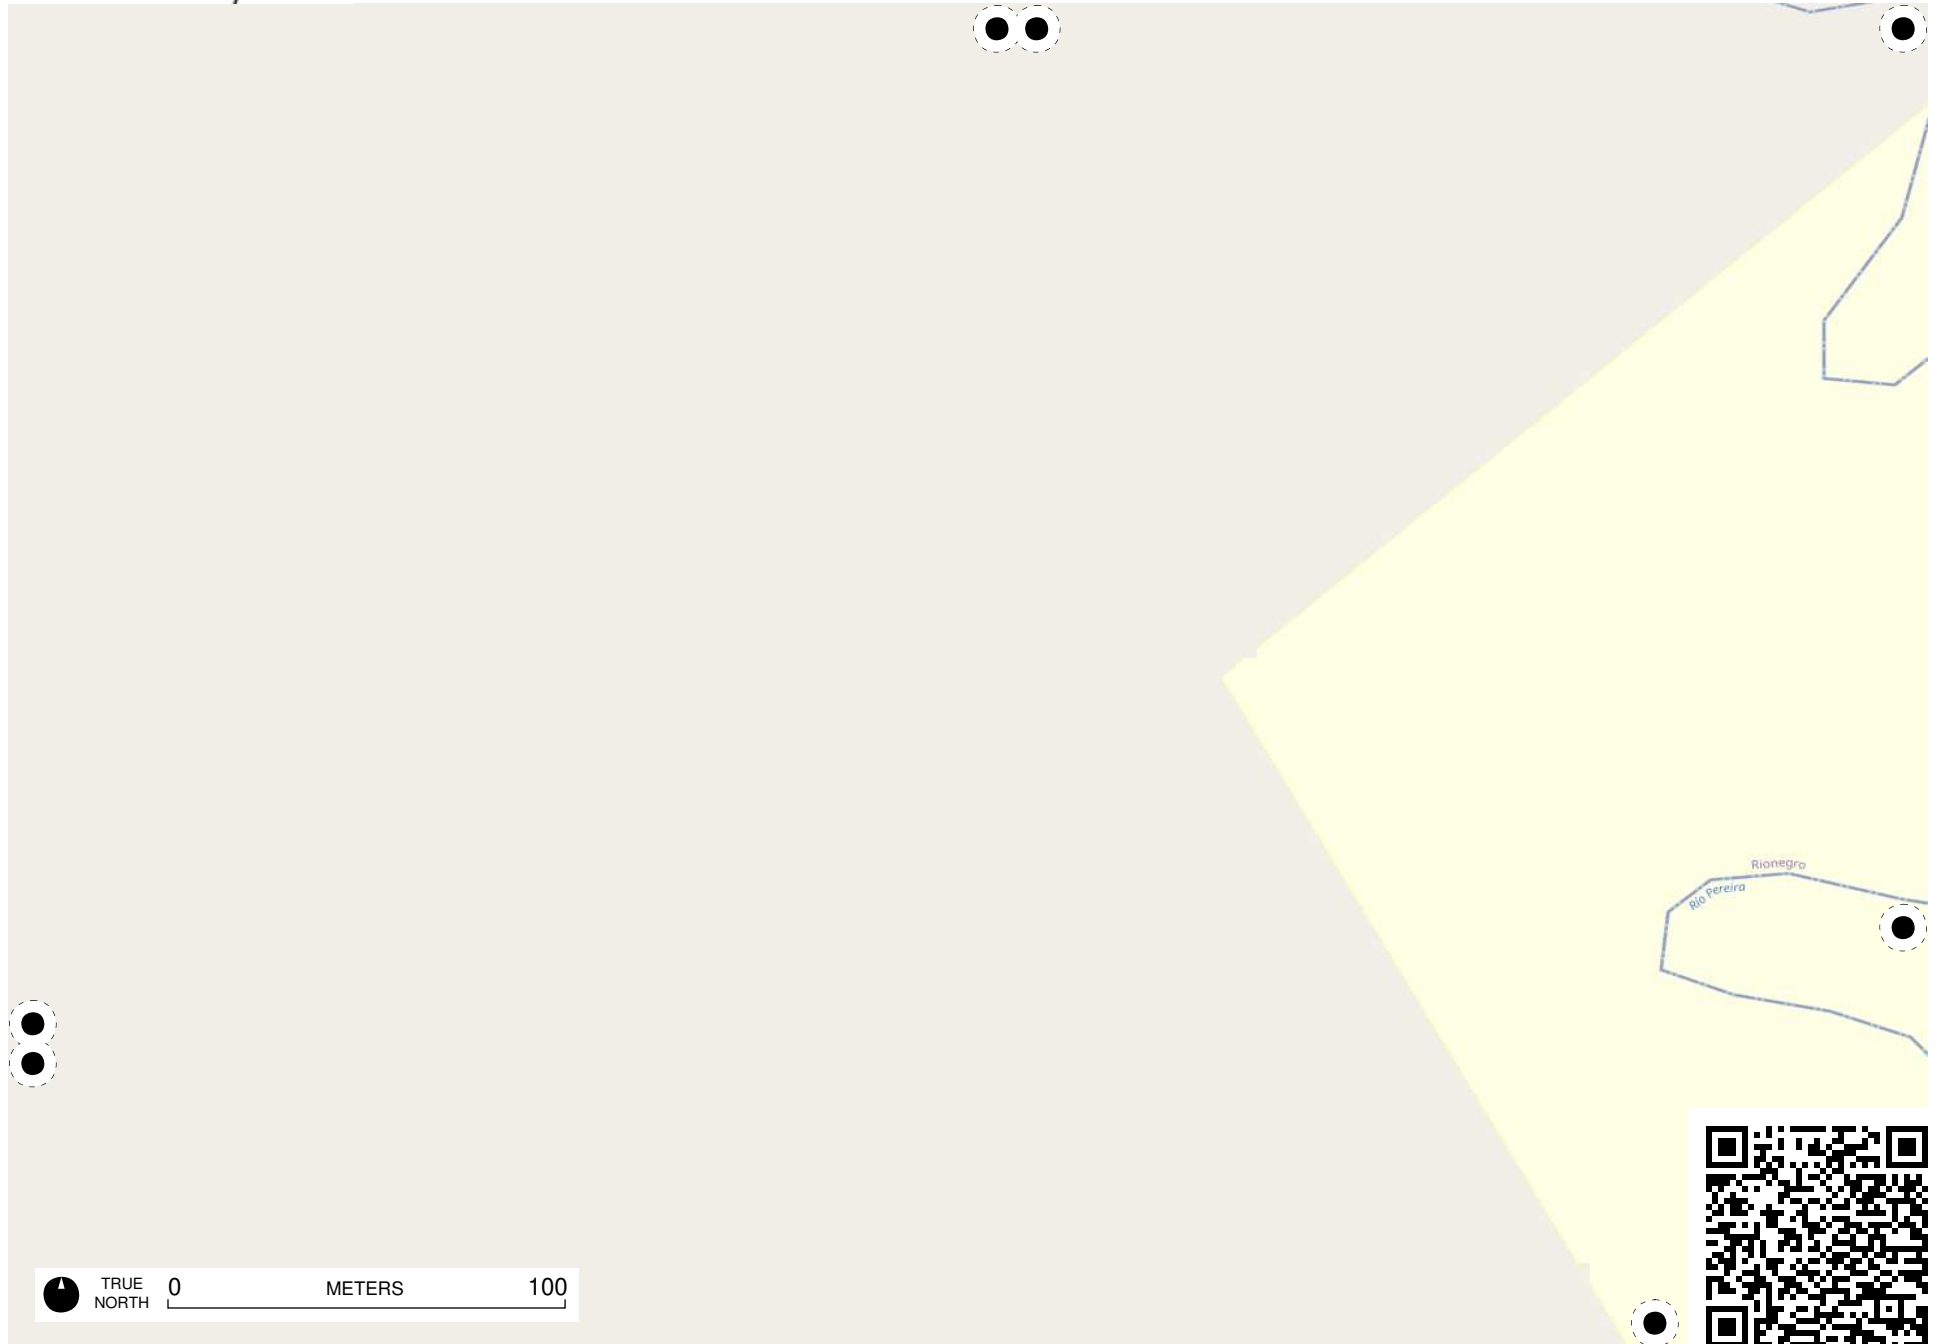

The map displays the Rio Pereira watershed, a blue-shaded area in the upper left. The Rio Pereira flows from the top left towards the center, with tributaries Rio Rionegro and Rio La Ceja. The town of Rionegro is shown in the lower right, with its buildings and infrastructure. The Rio La Ceja is a prominent orange-shaded area on the right side of the map. A scale bar at the bottom left indicates a distance of 100 meters. A north arrow is located in the bottom left corner. A QR code is positioned in the bottom right corner, likely linking to additional information or data related to the watershed.
