A detailed map of a coastal area, likely a coastal defense or embankment. The map shows a long, curved grey line representing the 'Reading to Taunton line' or 'Shalbourne Embankment'. To the left of this line is a green area labeled 'Hungerford Freeman Marsh' and 'River Durn'. To the right is a light brown area. Several green rectangular parcels are scattered across the map, some with a grid pattern. Roads labeled 'North Standen Road' run parallel to the embankment. A small stream or brook is labeled 'Shalbourne Brook'. In the top right, there is a detailed inset map of 'Shalbourne' with its own street grid. A north arrow is located in the top left. A scale bar at the bottom left shows distances from 0 to 200 meters. A QR code is in the bottom right corner.
