

This is a detailed topographic map of the Hatzenbühl area. The map shows the Erlenbach river flowing through the landscape, with various tributaries and smaller water bodies like the Feldbach Graben and Altbach. The terrain is depicted with green areas for forests and yellowish-brown areas for fields. The village of Hatzenbühl is shown on the right side, with its streets and buildings. Other locations labeled include Kandel, Jockgrim, and Feigenberg. The map also shows the border between the Landkreis Südliche Weinstraße and the Landkreis Nordliche Weinstraße. A scale bar at the bottom left indicates a distance of 0 to 600 meters, and a QR code is located in the bottom right corner.

This topographic map depicts the Worthington area, characterized by a dense network of roads and a prominent river system. The River Great Ouse flows through the landscape, with several tributaries including the River Hagenbach, River Worthington, and River Hagenbach. The map shows a mix of urban and rural areas, with numerous small settlements and landmarks. Key roads include the B9, K18, and K19. The map also features a scale bar (0-600 meters) and a north arrow in the bottom left corner. A QR code is visible in the bottom right corner.
