

The map displays a dense urban layout with a network of streets and a high concentration of buildings. The Kpandji river flows through the area, with several crossings. Notable landmarks include a private school, an A.T.B. (likely a bank), and various commercial establishments like boutiques and a hair salon. The map also shows a large green field labeled 'Stade de Sokodé' in the upper right. A scale bar at the bottom left indicates a distance of 150 meters, and a QR code is positioned in the bottom right corner.
