The map displays a study area with several labeled vegetation types: Willow, Spencer Gerhold, Alder, Hazel, and Birch. A large, irregularly shaped building is situated in the center-left, with several smaller buildings located to its south. A road, labeled 'Rue du Marais', runs along the bottom of the map. A scale bar at the bottom left indicates a distance of 100 meters, and a north arrow is positioned above it. A QR code is located in the bottom right corner. The map also features a compass rose in the top right corner and a small inset map in the top left corner showing the location of the study area within a larger context.
