

This topographic map depicts the Schinderhannes area in the Eifel region. The Schinderhannes river is shown in blue, winding through the landscape. The map includes contour lines indicating elevation, with peaks reaching up to 500 meters. Key locations marked include Sargenroth, Mengerschied, Gemünden, and various smaller settlements like Wommersbach and Lachenkaul. A network of roads, including the Bundesstraße 42, and numerous trails are shown. A scale bar at the bottom left indicates a distance of 1 kilometer, and a QR code is located in the bottom right corner.

This topographic map depicts the Schinderhannes area in the Eifel region. The Schinderhannes river is highlighted in blue, winding through the landscape. Key locations include Sargenroth, Mengerschied, Gemünden, and Panzweiler. The map shows a dense network of roads, including the Bundesstraße 26, and various trails. Topographic features are indicated by brown contour lines and green shading for forested areas. A scale bar at the bottom left shows a distance of 1 kilometer. A QR code is located in the bottom right corner.
