A grayscale map of a coastal area. A road network is shown, including a main road that runs horizontally across the middle and a road that runs vertically on the left. A river or coastline is depicted on the left side. A lighthouse is located on a small island or point of land on the right side. The map includes a scale bar at the bottom left indicating 0 to 700 meters, a north arrow, and a QR code in the bottom right corner. There are also several circular markers with black dots inside, likely indicating specific locations of interest.
