The screenshot shows a mobile application interface with a map of a facility. The map is divided into several rectangular areas, each labeled with a number and a letter, such as '16/2', '16/1', '16/D/ 2', and '16/D/ 3'. There are also icons for a first aid kit, a shopping basket, and a location pin. The bottom of the screen features a compass icon, the text 'TRUE NORTH', and a scale bar.
