

This topographic map depicts the Nordhausen region, characterized by the Katzentbach river and extensive green forested areas. The map shows a network of roads, including federal routes K2151, K2077, K2076, and K2075, as well as local roads L1106 and L1107. Urban centers like Nordhausen and Dürrenzimmern are visible, with various streets labeled. The map also features contour lines indicating elevation and a QR code for further information in the bottom right corner.

This is a detailed topographic map of the Nordhausen region in Germany. The map features the Katzentbach river flowing through the landscape, with several tributaries like the Breibach and Aresbach. The terrain is characterized by rolling hills and valleys, indicated by brown contour lines. Major roads are shown in yellow, including K2151, K2077, K2076, and K2075. The map also displays various place names such as Nordhausen, Dürrenzimmern, and Oberes Meisenholz. A scale bar at the bottom left indicates a distance of 0 to 800 meters, and a QR code is located at the bottom right.
