Tunja

<https://fieldpapers.org/atlasses/31r0qsv4/B1>

The map displays the Soraca region, featuring a network of roads and a central town. A red dot marks a specific location within the town, near the intersection of Calle Fy Capenando and Calle 60. The map includes a scale bar indicating distances up to 800 meters and a north arrow. A QR code is located in the bottom right corner. The map also shows various geographical features such as hills (e.g., Loma Alto Blanco) and water bodies (e.g., El Pinal).
