

This map illustrates the Somme Prairie Nature Preserve, a large green area with a complex network of trails. The trails are color-coded: orange for the 'outer loop trail', yellow for the 'inner loop trail', and green for the 'North Branch (green) Trail (north section)'. The preserve is bordered by Dundee Road to the south and Waukegan Road to the east. To the west, the West Fork of the North Branch of the Chicago River is visible. Key landmarks include the Red Roof Inn, Brookside Plaza, and Nickel City. The map also shows various roads such as Oakwood Road, Koehling Road, and Dundee Road. A scale bar at the bottom left indicates a distance of 250 meters, and a QR code is located in the bottom right corner.
