

The map displays the United States with two regions highlighted by black boxes and labeled A1 and A2. Region A1 covers the central and southern United States, including states like Texas, Oklahoma, Arkansas, Louisiana, and Mississippi. Region A2 covers the southeastern United States, including states like Georgia, Alabama, Florida, and South Carolina. A QR code is located in the bottom right corner of the map. A scale bar at the bottom left indicates a distance of 500 kilometers. The map also shows major cities, state boundaries, and geographical features like the Gulf of Mexico.
