This topographic map depicts a mountainous region in Ecuador, characterized by dense green forest cover and numerous elevation contours. The Rio Saraguro flows from the upper left towards the center, while the Rio Tororo and Rio Guano are visible in the lower right. Key geographical features include the Refugio de Vida Silvestre Maquenque in the upper left and Cerro Mallejón (179 m) on the right. The map is divided by a vertical line representing the border between the Province of Alajuela and the Province of Saraguro. A scale bar at the bottom left indicates a distance of 5 kilometers. A QR code is located in the bottom right corner, and a north arrow is positioned at the bottom left.
