

The map displays a grid of nine sections, each labeled with a letter and a number (A1, A2, A3, B1, B2, B3, C1, C2, C3). The sections are defined by black lines. Major roads are highlighted in yellow, including the Pacific Coast Highway (US 6) and the Long Beach Freeway (SR 103). The map also shows various landmarks, including Long Beach State University, Long Beach City Beach, and the Alamitos Bay. A scale bar at the bottom indicates 0 to 2 kilometers, and a QR code is located in the bottom right corner.
