This map illustrates the proposed alignments for US 93 and US 95 in the Black Hills region. The proposed US 93 alignment is shown as a solid green line, while the proposed US 95 alignment is shown as a blue dashed line. The map includes a scale bar (0 to 2 kilometers), a north arrow, and a QR code. Key features include the Black Hills, the proposed US 93 alignment (green line), the proposed US 95 alignment (blue dashed line), and the existing US 93 and US 95 alignments. The map also shows the location of the Black Hills and the proposed US 93 and US 95 alignments.

This map displays the Black Hills National Forest area, highlighting proposed and existing road networks. Key features include:

- Black Hill:** A peak of 1245 m is marked in the center of the map.
- Proposed Roads:** Shown as solid green lines, including the Veterans Memorial Highway and sections of US 93 and US 95.
- Existing Roads:** Shown as dashed blue lines, including the Boulder City Bypass and sections of US 93 and US 95.
- Highway Markers:** US 93, US 95, and US 99 are labeled along the routes.
- Scale and Orientation:** A scale bar indicates distances up to 2 kilometers, and a north arrow is located in the bottom left corner.
- QR Code:** A QR code is present in the bottom right corner, likely linking to additional information or data.
