A detailed map of the Americas, including North, Central, and South America. The map shows major cities, countries, and geographical features. A scale bar at the bottom left indicates a distance of 2000 KILOMETERS. A QR code is located in the bottom right corner. The map is oriented with North at the top, as indicated by a compass rose in the top left corner. The map is labeled with various cities and countries, including the United States, Canada, Mexico, Central American countries, and South American countries. The map is a high-resolution, vector-style map with clear lines and text. The colors used are primarily green for land and blue for water. The map is framed by a white border. The scale bar is located at the bottom left, below the map. The QR code is located at the bottom right, to the right of the map. The compass rose is located at the top left, above the map. The map is a detailed representation of the Americas, showing the outlines of the continents and the locations of major cities and countries. The map is a high-resolution, vector-style map with clear lines and text. The colors used are primarily green for land and blue for water. The map is framed by a white border. The scale bar is located at the bottom left, below the map. The QR code is located at the bottom right, to the right of the map. The compass rose is located at the top left, above the map.
