

This is a detailed map of the Western Hemisphere, showing North America, Central America, the Caribbean, and South America. The map includes major cities, countries, and geographical features like the Gulf of Mexico and the Amazon River. A scale bar at the bottom left indicates distances up to 2000 kilometers. A QR code is located in the bottom right corner.

This map displays the Western Hemisphere, covering North America, Central America, the Caribbean, and northern South America. Key features include:

- Geographical Labels:** Major cities like New York, Toronto, Mexico City, and Lima are marked. Countries such as the United States, Canada, Mexico, and various Central and South American nations are labeled.
- Scale and Orientation:** A scale bar at the bottom left shows distances up to 2000 kilometers. A compass rose indicates True North.
- QR Code:** A QR code is positioned in the bottom right corner, likely linking to additional information or a digital version of the map.
