

The map displays the Rio Negro drainage basin in the Andes of Argentina. The Rio Negro is the central feature, flowing from the north towards the south. It is joined by the Rio Grande from the west and the Rio Frío from the east. The Rio Colorado flows from the south towards the Rio Negro, and the Rio Mereno flows from the west towards the Rio Colorado. The map includes a scale bar (0 to 2 kilometers), a north arrow, and a QR code.
