

This is a detailed topographic map of the Charleroi region in Belgium. The map shows the Sambre river flowing through the area, with several bridges and viaducts crossing it. Key roads include the Grand Ring de Charleroi (R3) and the Rue de Mons. The map also depicts various industrial sites, such as the Ancienne usine Electrolab and the Carrière de Monceau. A scale bar at the bottom left indicates a distance of 400 meters, and a north arrow is located next to it. A QR code is positioned in the bottom right corner of the map.
