

This map displays the Caribbean region, highlighting the following details:

- Geographical Features:** The Caribbean Sea is the central body of water, surrounded by North America to the north, Central America to the west, and South America to the south. Major islands and archipelagos shown include the Greater Antilles (Cuba, Hispaniola, Jamaica, Puerto Rico), the Lesser Antilles (The Bahamas, Turks and Caicos, etc.), and the Guianas.
- Political Boundaries and Labels:**
 - United States of America:** Labeled in the north, with cities like Houston, New Orleans, and Miami.
 - Central America:** Includes Guatemala, El Salvador, Honduras, Nicaragua, Costa Rica, and Panama.
 - South America:** Includes Colombia, Venezuela, and Ecuador.
 - Caribbean Islands:** Labeled include Cuba, Haiti (Ayiti), Santo Domingo (República Dominicana), Jamaica, and the Bahamas.
- Scale and Orientation:** A scale bar at the bottom left indicates distances up to 600 Kilometers. A compass rose shows True North.
- QR Code:** A QR code is located in the bottom right corner, likely linking to additional information or a digital version of the map.

This map provides a comprehensive view of Central America and the surrounding Caribbean region. Key features include:

- Geographical Labels:** Major cities (e.g., Houston, New Orleans, Miami, La Habana, Santo Domingo), countries (e.g., United States, Mexico, Central American nations), and islands (e.g., Cuba, Jamaica, Bahamas).
- Scale and Orientation:** A scale bar at the bottom left measures distances in kilometers (0 to 600). A compass rose indicates True North.
- QR Code:** A QR code is positioned in the bottom right corner, likely linking to additional information or resources.
