This is a detailed topographic map of the Landrichamps area in the Ardennes region of Belgium. The map shows the Meuse river flowing through the landscape, with various hamlets and forests labeled. Key locations include Landrichamps, La Mairie, Le Badoraux, and La Prie. The map also features a scale bar (0 to 500 meters), a north arrow, and a QR code in the bottom right corner.

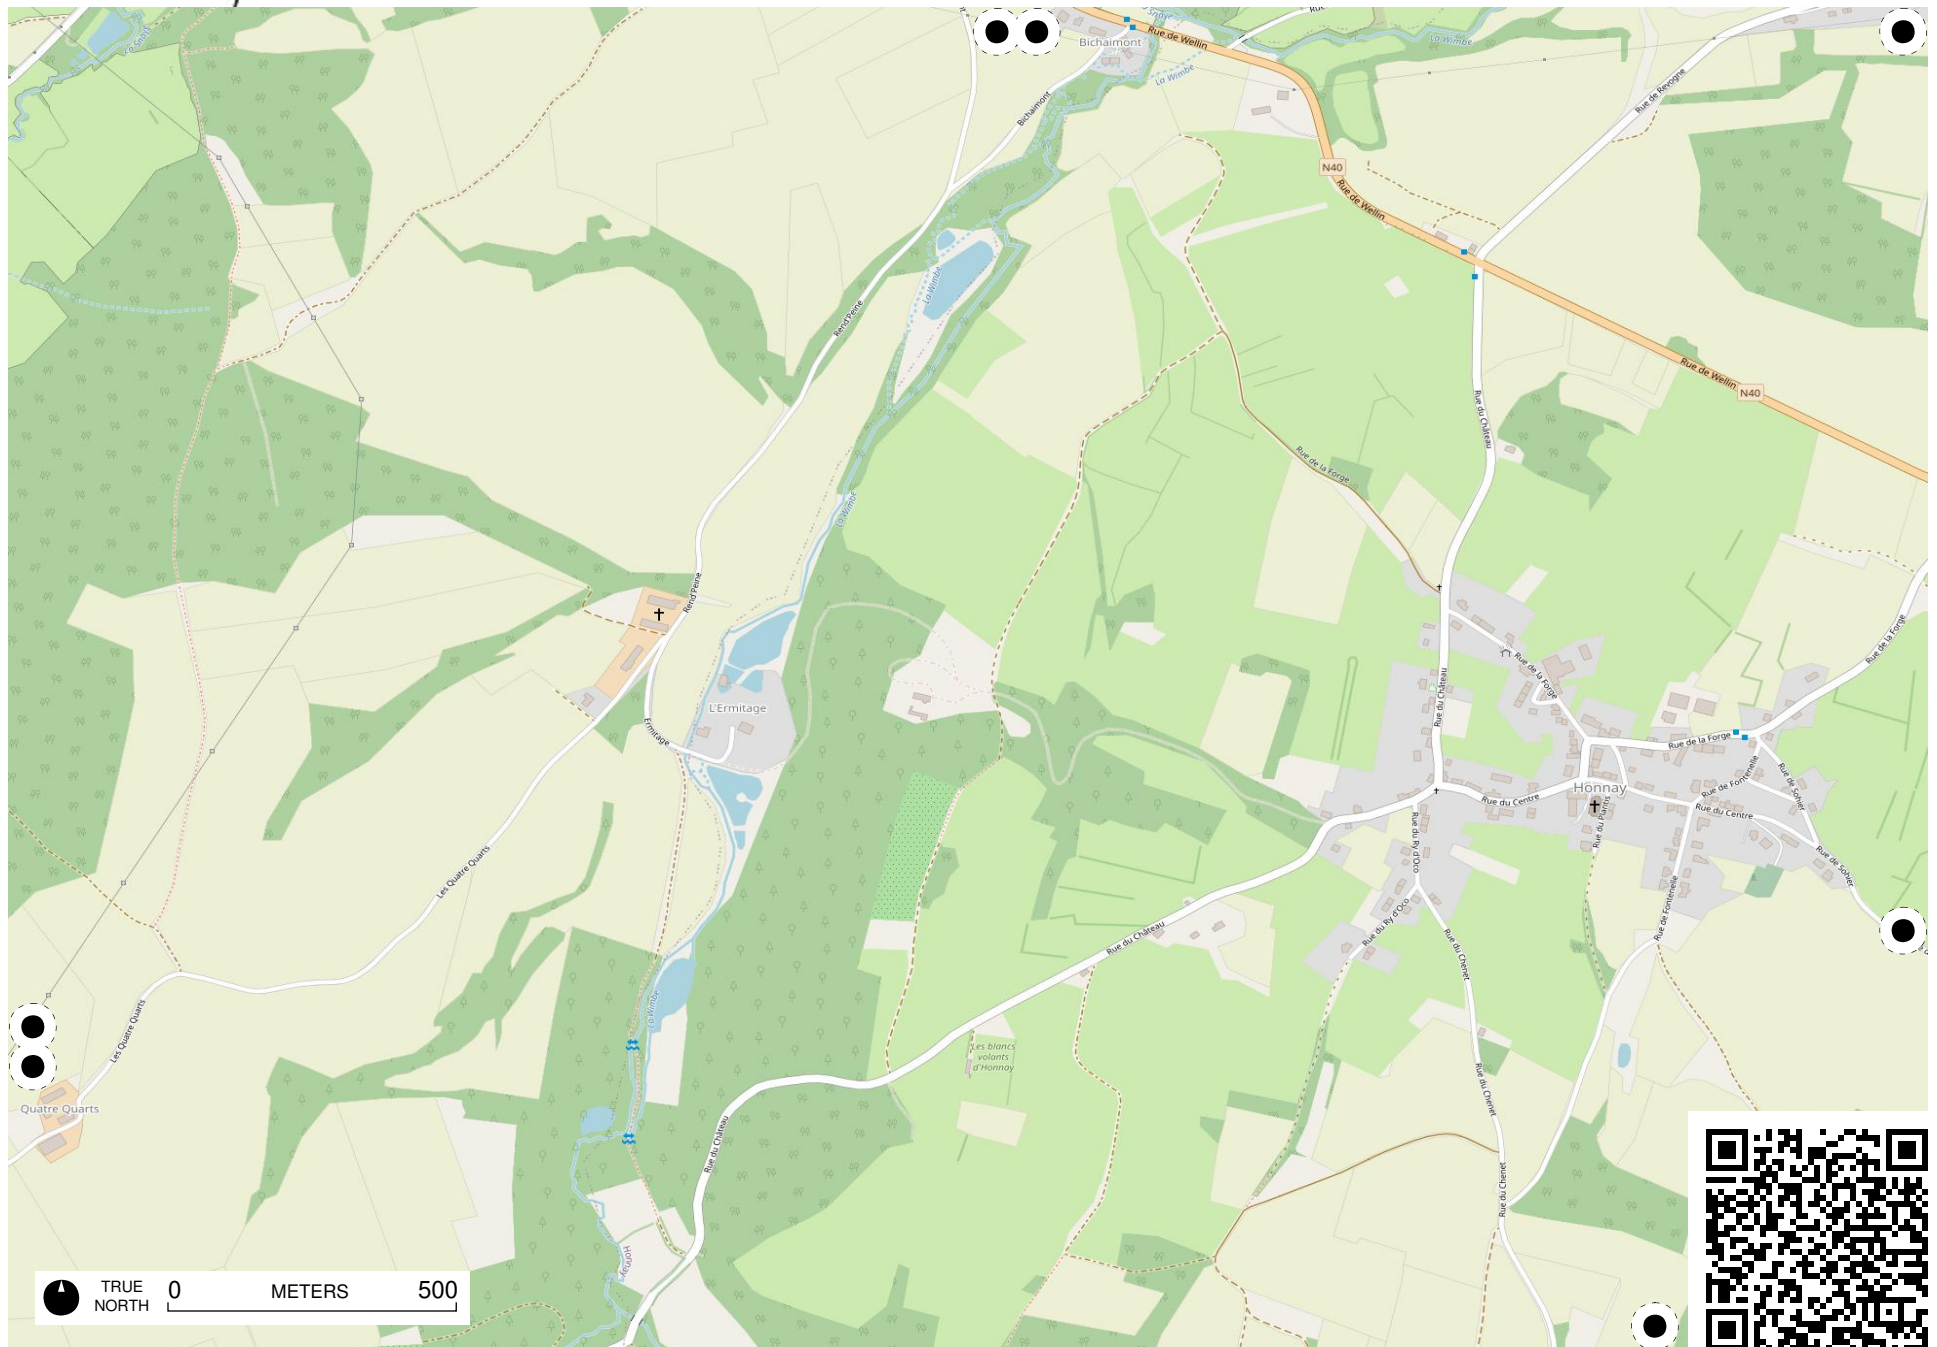

This is a detailed topographic map of the Landrichamps area in France. The map features the Meuse river as a central element, flowing from the northwest towards the southeast. To the west of the river, the area includes Bois Foury, which contains a power station and a dam. The town of Landrichamps is located on the right bank of the river. The majority of the map's area is covered in green, representing forested land, with numerous small labels for individual locations and hamlets such as Les Bietries, La Manufacture, and Le Fond de Ry. A scale bar at the bottom left provides measurements in meters, ranging from 0 to 500. A north arrow is also present in the bottom left corner.
