

[illegible]

A detailed map of the Ban Viengxay area. The Mekong River flows along the top and left sides. A network of roads connects various locations. Key landmarks include the Lao Red Cross building, a primary school, and several bridges. The map also shows surrounding areas like Phanloua and Meuangnga. A scale bar at the bottom indicates distances up to 600 meters. A QR code is located in the bottom right corner.
