

The map displays a 2x4 grid of regions in Russia, labeled A1 through B4. The regions are defined by black lines. The map includes various geographical features such as rivers, lakes, and administrative boundaries. Major cities like Helsinki, Tallinn, and Moscow are visible. A scale bar at the bottom left indicates a distance of 300 kilometers. A QR code is located in the bottom right corner.

The map displays a 2x4 grid of regions in Russia, labeled A1 through B4. The regions are defined by black lines. The map includes various geographical features such as rivers, lakes, and administrative boundaries. Major cities like Moscow, St. Petersburg, and Krasnodar are visible. A scale bar at the bottom left indicates a distance of 300 kilometers. A QR code is located in the bottom right corner.
