An aerial satellite photograph of a residential neighborhood in Welivita, Sri Lanka. The image shows a cluster of houses with red-tiled roofs, surrounded by lush green lawns and mature trees. A paved road runs through the area, with the label "WELIWITA RD" visible. To the left, a dark, irregular shape represents a body of water. In the bottom right corner, there is a standard black and white QR code. The top of the image features a small circular icon with a double-zero symbol. A scale bar at the bottom left shows distances from 0 to 50 meters. The overall image has a grainy, high-angle perspective typical of satellite imagery.
