

This map illustrates a proposed roundabout on Portion Road, which runs horizontally across the center. Nicols Road, running vertically, intersects Portion Road at the roundabout. The roundabout is depicted with a central green island and four lanes with arrows indicating the flow of traffic. To the left of the roundabout, Portion Road has a dashed line indicating a proposed lane change. To the right, Portion Road continues with a solid line. Nicols Road has several 'CR 97' markers. Other roads shown include Leids Boulevard, Evans Lane, Sambel Court, Valley Court, Frances Boulevard, Washington Avenue, College Road, Horseshoe Road, and Columbus Avenue. A scale bar at the bottom left indicates 0 to 150 meters, and a north arrow is located next to it. A QR code is in the bottom right corner.
