

ROCHESTER CHAPTER

New York Association for the
Education of Young Children

2018-2019

Professional
Development

Sensory Processing

Presented by Mary Gregg MS, OTR/L
and Tara Chapman, COTA

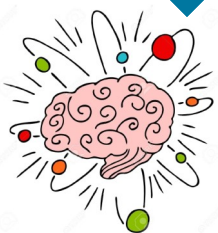

Thursday
March 14

6pm—8pm

Al Sigl Center
DOOR #1
1000 Elmwood Avenue

Participants at this workshop will learn to identify the 8 sensory systems and define what is and what is not “sensory processing”. Participants will learn strategies for assisting children in managing sensory overload.

The workshop will discuss sensory modulation and examine treatment strategies.

Participants will receive **2** training hours toward NYS licensing requirements.
No Pre-Registration is Required – just come.

FREE for Standard and Premium NAEYC members

\$20 fee for others

OCFS #1 & #3 CBK #1 & #4
