

Intro: Sparta Tennis is looking to add to our established team of coaches to meet increased demand across the spectrum of coaching. This includes Tennis NZ Programmers; Hot Shots, Cardio and Express, work in our Academy Programme, and private coaching for aspiring juniors as well as adults.

Background: Sparta Tennis coaches out of multiple venues in Auckland with Campbell Park Tennis Club and Mount Albert Tennis Clubs in Greenlane and Mount Albert, Auckland respectively remaining as the home club bases. Campbell Park Tennis Club consistently has the biggest Hot Shots program in New Zealand and the largest junior tennis club program in Auckland with 58 interclub teams this past summer.

Our Academy program has by far the most success of any program in the country the past 5 years since inception. In 5 years players in the Sparta Program have earned selection in NZ teams 36 times, 73 in Regional teams for NZ teams nationals and 9 national singles titles in the past 3 years. This success comes down to the quality of the coaching staff and the comprehensiveness of the programme.

In order to continue to deliver these two pillars as well as private lessons for aspiring juniors and our club adults we need to add to our staff. We have a commitment to supporting coaches and tailoring their coaching to their area of strength and focus as well as providing training opportunities and higher levels of pay to ensure we have the highest quality staff.

The below role is for an experienced coach but we are always on the lookout for younger coaches who want to develop and build their experience so please reach out if that sounds like you!
