

Looking for *Web Development: The Absolute Basics* by Scott Granneman?

I've moved it to a new location:

- » Slides: <https://www.granneman.com/downloads/web-dev/Web-Dev-Intro.pdf>
- » Notes: <https://www.granneman.com/downloads/web-dev/Web-Dev-Intro.txt>

If you're seeing this, I missed updating a link, so please let me know at [scott@granneman.com](mailto:scott@granneman.com) what page you were on when you clicked on the link & I'll fix it. Thank you!
