Dear Friends and Family

Sudan Prayer Walk!

October 11, 2008 we held our first annual prayer walk to raise money for our new medical clinic building in Sudan. We have been blessed by many people who have a heart to help us get this medical clinic built for the Glory of the Lord Jesus. Our \$100,000 budget to start the building was already one third raised *before* the walk even took place.

Tonj Medical Clinic Plans

The prayer walk was not just a way to raise money for a critically needed medical center but also a time of intercessory prayer for our ministry and family. This past month has been very stressful with our family moving back from the USA to Africa. And the transition into the bush of Sudan has involved filling a 5 ton truck with food and medicine as well as 2 airplanes. In the midst of this chaos, packing, unpacking and repacking, we have had undeniable peace and our children have been amazing. We know the prayers of the Saints have been answered and we can't thank you enough for standing in the gap on our behalf during this critical time in our lives.

Prayer Walkers for Sudan

Over fifty people turned up for the prayer walk in San Diego and also raised money for the new clinic building. The final total is yet to be counted but we are hopeful that it will reach half of what is needed and we can start building soon. If you are interested in helping support this building project and

providing a medical clinic in Sudan that will be the only one for almost 100 mile radius, then please contact Mike Yordt as listed below. A huge thank you to all those who walked, prayed and collected donations as well as those who gave money to this much needed cause.

Back of our Prayer Walk Shirt

Hebrews 12:1-3 says *"...let us run with perseverance the race marked out for us. Let us fix our eyes on Jesus, the author and perfecter of our faith, who for the joy set before Him endured the cross, scorning its shame, and sat down at the right hand of the throne of God. Consider Him who endured such opposition from sinful men, so that you will not grow weary and lose heart."*

Praise & Prayer Requests!

- ❖ Praise Jesus for our safe arrival and easy transition back to Africa.
- ❖ Praise Him for the prayer walkers, the beautiful day and the money raised.
- ❖ Pray for the final funding for our medical clinic building.
- ❖ Pray for our safety and health while in Sudan, especially our two small children Hannah (6) and Jedidiah (4).
- ❖ Pray for more workers to come out as the harvest is great but the workers are few.

Praising Jesus,

Sabet and Suzy
