Who's Who at In Deed and Truth?

Mark Rocello with Sabet

Mark Rocello is from Temecula, CA. He's 20 years old and has been with us in Tonj for the past 6 months serving alongside Sabet. He's primary responsibilities were going into remote villages and showing the Jesus film, praying for patients in the clinic, sharing devotions with the pastors in our school and discipling the young men on our staff. He quickly made friends and was a powerful witness for the Lord, simply by living out daily what he believes in his heart. We are sad to say goodbye to Mark this month as he returns home. Mark said "the difficult thing I had to deal with was the not seeing my family and friends back home that I love. I vow to return in the Lord's timing! I've learnt that a Christ-centered, sold out life for Jesus is possible no matter where your roots begin. Seeing Jesus manifested through both biblical teaching and caring for people's needs is what makes the ministry of In Deed and Truth so effective. I love these guys and what they are doing in Sudan. I strongly urge anyone with a call to Sudan to pray about partnering with this ministry." Mark's favorite verse while in Sudan was: **2 Corinthians 5:14-15** "...we have concluded this: that one has died for all, therefore all have died; and He died for all, that those who live might no longer live for themselves but for Him who for their sake died and was raised."

Christmas and New Year In Sudan!

This was the first year we spent Christmas and New Year in Sudan. Everything closes for 2 weeks and all missionaries leave for furlough or Kenya.

Dennis, our clinical officer, agreed to stay with us enabling us to keep the clinic open for emergencies. On Christmas morning we held a church service and had a wonderful time celebrating our Savior's birth. The evening ended with a proper English Christmas dinner, complete with a turkey! On New Year's Eve we had a great time playing Charades and Bible Trivia until midnight. It was a fun time of team bonding.

Clinic Update!

God continues to reach the people of Tonj through our medical clinic. Infant mortality is one of the world's highest in South Sudan. Our clinic alone experienced four deaths in January as malaria cases were unusually higher than normal. The Lord continues to use our partners to further His Kingdom and we are using some of the funds to offer a new service of immunization. The first day we immunized 31 of over 100 patients, mainly children under the age of five. Praise Jesus we are able to do this in His Name.

Third Term Begins!

Our pastors returned from their Christmas break enthusiastic to start their third term of The Bible Training Center for Pastors. They are continuing in the Old Testament. We have enough pastors signed up to start a second class, but we did not feel led to do it at this point because so many things are not quite ready. Please pray with us for additional long term missionaries to teach the pastors as well as sponsors for each pastor.

Prayer Requests!

- ❖ Pray for a peaceful election in April, the first for North and South Sudan together. The outcome is unpredictable so many are planning to leave Sudan during that time, including Suzy, the children, some expat staff and missionaries. Sabet will continue in Sudan, ready to evacuate if necessary.
- ❖ Pray for the completion of the new clinic, for the Lord to provide a reputable contractor, as the last guy went home to Uganda and never returned!
- ❖ We are currently in Kenya packing a truck with medical & food supplies for one year. Logistically/financially this is our most challenging time of the year. Pray we accomplish much and see the Lord provide for our every need.

Thank you for obeying the call to come alongside us through prayer and financial support. Let us know how we might pray for you also. We look forward to hearing from you in 2010.

Serving Together,

Sabet, Suzy, Hannah, Jed and Agum Kuj
