Who's Who at In Deed and Truth?

Stacie Larsen is from Carlsbad, CA in USA. She has been with us in Tonj since the beginning of November 2009 and plans to stay for a minimum of one year. She is assisting with administration, logistics and any other need we have. Since joining the team Stacie has freed Suzy's time to be with the kids home-schooling (an answer to our prayers) by taking on many administration jobs, like organizing personnel, creating job descriptions, contracts, menu's and schedules. She has an amazing servant heart, to be a blessing to Sabet and Suzy no matter what she is asked to do. This has resulted in her sometimes cooking, helping with births, triage in the clinic and evacuating a patient to Kenya (photo). Stacie says "I love being here. I love what In Deed and Truth Ministries does here. I can't imagine Sabet and Suzy not being in Tonj. There would be a huge hole in Tonj if they weren't here. Their work here is important and is winning lives over to Jesus. Many lives have been saved as a result of the clinic and the pastors school is ensuring the Gospel is being spread in South Sudan." Evacuations and Elections!

"May your ways be known throughout the earth. Your saving power among people everywhere." Psalm 67:2

Remember Matoch? Jesus has healed this boy both physically and spiritually. What a joy and witness to see so many people respond to our plea for help. The people of Sudan will know we belong to the Father by our love, one for another. And this was certainly the case with Matoch. The great compassion stirred in your hearts by the Holy Spirit was reflected in Your generous obedience in giving. And the bible says God blesses obedience; from our decision to try and fly him to Kenya, to AIM AIR's obedience to divert a plane to help, to your obedience to give to this worthy cause, we have experienced the Lord's blessings on this boy's life. His father and 2 uncles got saved and agreed to sell all their cows and put the children in school. Matoch has a new face but also a new life in Christ Jesus.

This past month we have seen more medical evacuations than all the 10 years we have been in Sudan, even during the civil war. The cattle raids have been constant, with back and forth retaliation and children getting caught in the middle. We also evacuated Nyangeu, just 3 years old after she was shot in the head, fracturing her skull and piercing her brain. She had to be escorted by one of our medical staff as her mother was killed in that raid and her father was also shot. She is still at Kijabe Mission Hospital in serious condition. Last week we evacuated a man with 4 gunshot wounds to Juba hospital, where they told us they could treat him but on arrival referred him to Khartoum. As the general election is this month and tension rises, we ask for your prayers not just for us, but for these precious children, who have been through so much all ready. People are tired of the fighting and unrest but deep hatred and retaliation is all they know. At a time of year where Christians are celebrating their risen Lord, pray we would be effective in bringing them the message of Christ's redeeming love and forgiveness through Jesus' shed blood on the cross.

Prayer Requests!

- ❖ Pray for the general election to be peaceful and that a miracle would occur in the hearts of the leaders in Sudan.
- ❖ Pray for a revival in the land of Sudan, for Christians and churches to boldly proclaim their faith and walk by it.
- ❖ Pray for protection on our missionaries and staff, especially through the election period.

Serving Together,

Sabet, Suzy, Hannah, Jed and Agum Kuj
