Who's Who at In Deed and Truth?

Stephanie Williams is joining the In Deed and Truth team in Tonj this month. The Lord crossed our paths through a Calvary Chapel pastor and missionary in Nairobi who knew she was looking for a place to serve in Africa. She is from the USA and has committed to serve alongside our medical team for two years as a midwife. She trained in the Philippines for two years and has delivered 130 babies on her own and played an active role in over 300 other deliveries. With the opening of the birthing unit this year, we are so excited to have this valued addition to the team. Stephanie has asked for prayer for the following needs before she leaves on June 16th:

1. Committed prayer warriors.
2. Monthly supporters.
3. Travel mercies for flights and all bags would arrive safely & on time.
4. Quality time with friends & family before her departure.
5. Easy transition into the culture.
6. To learn Arabic and Dinka.
7. All the last minute details and preparations would be in place.

Church Plant in Tonj!

*"Let every thing that hath breath praise the LORD. Praise ye the LORD."
Psalm 150:6*

Tonj In Deed and Truth Church is small, but growing! Each Sunday we have a church service on our compound. It is a mix of many different people: the compound staff, local Sudanese and people from other countries working in Tonj. Recently the church has seen growth and more people have expressed interest in coming. Because of the growth, we are looking to move the church out of the compound to make it more accessible to the whole community. We are excited about this prospect and pray for a revival in Tonj, for more missionaries to come out and serve the church in teaching, worship and Sunday school. Sabet is preaching and worship leader, often setting up the chairs and

sound system as well. We need help, please pray for him. Many of the pastors in the school are from Episcopal churches and have been coming to our church calling it a New Testament church. This is exciting as they see the freedom in worship and biblical teaching without all the religion and ceremony. The Sunday school sees many children come each week to have fun and learn about Jesus. This last week Suzy taught the children about worship and praise. They made instruments from empty soap boxes filled with dried beans and jumped around the room shouting and singing "Leku Nhialic, Alleluia" which is Dinka for Praise the Lord. As the next generation, we see this is the where the future hope for Sudan lies spiritually and therefore we want to invest in these young lives with the truth of God's Word.

Update on Prayer Requests!

- ❖ Pray for Stephanie as she makes her final plans to join us for 2 years.
- ❖ Pray for the 6 volunteers joining us this summer and staying for 5-8 weeks.
- ❖ Pray for the truck to make it smoothly from Kenya with our food and medical supplies.
- ❖ Please continue to pray as we have seen a significant drop in cattle raids but they are still occurring in some remote villages.
- ❖ Pray for more 'workers' to come out and help us with the church in Sudan.

Leku Nhialic (Praise the Lord),

Sabet, Suzy, Hannah, Jed and Agum Kuj
