'Walk in His Ways' 2010 Prayer Walkathon for Sudan!

Sabet Sharing at In Deed and Truth's Prayer Walkathon 2010

Sabet has been overwhelmed with love and care from the saints in San Diego as he has spent the last 5 weeks there, sharing about the needs of our ministry and leading the prayer walkathon fundraiser. What great joy and blessing we received from so many that turned out for the 2 mile walk and I'm sure many more of you were praying. It is so awesome to have so many prayers on our behalf and we totally need them and felt them.

Suzy and walkers praying in Sudan

Suzy and the team remained in Sudan and organized their own prayer walk on the airstrip in Tonj. The month of October was particularly hard with record deaths of malaria and anemia in our medical clinic. Many cases were referred to Wau but not able to get there. We really saw the ambulance need so clearly this month. Thank you to all who have given to this very worthy cause.

"Love the LORD your God, walk in all his ways, obey his commands, hold firmly to him, and serve him with all your heart and all your soul." Joshua 22:5

One of the songs the kids are learning in home school is "I will be a little missionary" and nothing brings our heart more joy than seeing our children growing up on the mission field as 'little missionaries' and living their lives for the Lord from such a young age. They have grasped so many core values and understand the effects of suffering, death, poverty, danger and going without. They also understand God's power, healing, faith, love, provision, blessing, contentment and protection. Pray for our children as they grow in His grace.
