October 2012

Pastor's Graduation!

On October 6th, we celebrated the day we have eagerly anticipated for the past three years. With over 500 celebrants in attendance including officials from local, county and state government, our pastors graduated. We were honored by the Deputy Governor of Warrap State to have as the key note speaker. The graduation marked the culmination of three years of intensive bible training. Attired in festive marron gowns, these 12 disciples of Jesus Christ, received diplomas and special gifts from the visiting dignitaries. The name of Jesus was clearly proclaimed throughout the two hour program. The event included worship led by the Don Bosco band and the IDAT choir. Greetings and words of encouragement were given by various government and church leaders. We concluded the day hosting a dinner for the pastors, officials and members of the community.

All authority has been given to Me in heaven and on earth. Go therefore and make disciples of all the nations.
Matt 28:18-19

Board Visit to Tonj!

We were blessed to have two of our Board members visit Tonj to join us for the pastors' graduation. Ted Miyake, Jim Ennis and his wife Dena were used of the Lord to encourage the staff and community during their ten day stay at the IDAT compound. God used this time to connect names and faces throughout the entire IDAT organization. The time together was a beautiful picture of the Body of Christ functioning as one for the glory of Our Lord and Savior Jesus Christ.

From whom the whole body, joined and knit together by what every joint supplies, according to the effective working by which every part does its share, causes growth of the body for the edifying of itself in love.
Eph 4:16

Prayer Walk San Diego!

Our annual prayer walk was held Saturday September 22nd at Horizon Christian Fellowship. This year Suzy and Hannah were able to come to the United States to participate. God has continued to extend His hand of blessing as the ministry expands the level of vital services given to the community. Our basic

monthly operating budget has increased to \$25,000 to cover the operation of the clinic and the compound, support for the Kuj family and our U.S. stateside support. We now employ over 50 local staff in support of our 24/7 clinic operations. Our five acre compound has become a magnet to the community and surrounding territories as we show the love of Christ in serving the Lord.

Leadership Development!

While visiting Tonj for the pastors' graduation, our Board recognized the godly potential of certain members of our staff. Lack of development and leadership training is a tremendous area of need in South Sudan and Tonj. The Board has recommended that we increase our level of funding to ensure that we have an adequate budget for the development of tomorrow's leaders. Our recognition of these candidates is based on evidence of a clear calling and commitment to serve the Lord Jesus.

Prayer Requests!

- ❖ For the Kuj family as they host teams coming to Tonj through Christmas
- ❖ For the Lord's blessing on the graduated pastors as they go to serve their flock.
- ❖ For God's comfort for Ayok, a young girl suffering from bone cancer.

In His Service,
Sabet and Suzy *Kuj*
