

Tonj Update!

A few weeks ago Pastor Kibe, along with our pastors Juda, Santino and Joseph, were invited to minister in the local prison and to hold a service there every Sunday between 9-10am. This is a great opening for the Gospel message in the main prison in this area. In the past, we were the ones to request to go in and share the Gospel, but now the prison officials have invited us.

Bible story training in May with Lou tribe

We also gave some Bibles to the prison staff and inmates whom had asked for them on the first day we went to preach there. They said they spend most of their time doing nothing, but now they will be reading the Bible. Our prayer is that the Holy Spirit will guide and minister to them and many may be drawn to Him. The first week Kibe preached from Psalm 1.

Our team has been very busy from January until now; they have been smaller in size than usual with us being gone and limited medical supplies. We felt it was necessary for them to take a break for a month in Kenya so we minimized the services we give for this short-period while the essential professional team takes their rest.

I want to acknowledge our local team in Tonj who are holding the fort while everyone is gone – Albino and the entire IDAT team, especially the Community Health workers, have been so faithful and wonderful in getting on with day-to-day operations in our absence. Pray for their strength and wisdom as they continue to serve this month.

South Sudan Crisis update!

President Kier (in hat) and VP Machar

The news that is coming out of South Sudan government from their meetings with the opposition in Ethiopia and Kenya the past few weeks has been very positive. The two rival leaders, the president and his former vice president, have met twice. They both expressed their commitment to end the present conflict, as a matter of fact, they took a landmark step in the latest meeting in Kenya and laid out the basis to form a national transitional government in 60 days. That was met with huge applause from the neighboring countries and the US government.

"Peace I leave with you; my peace I give you. I do not give to you as the world gives. Do not let your hearts be troubled and do not be afraid."

– **John 14:27**

The Kuj's Update

We have been on another road trip, this time to northern California. We visited Santa Rosa Calvary Chapel The Rock. It was the first time for our family to visit the area. It was so wonderful to meet the senior Pastor, Ross; the Missions Pastor, Jim; and all the rest of the staff. They have been supporting the work in South Sudan for the past few years before even meeting us. The biggest blessing is how God used our testimonies to bless the church and the church and their love for God to bless us. We give the glory to God for what He has done.

Pastor Ross, Karen, Roy and Pastor Jim

Some of you have received the prayer update regarding Agum's citizenship; we praise God for connecting us with an immigration lawyer that told us Agum is a US citizen based on her adoption and Suzy's citizenship. All we need to do is to change her status and apply for a passport. We cannot describe the amount of relief we felt when we heard this news. Pray for all the applications that have been submitted and the time that they require to finish, that God would have His favor on us and accomplishing everything without taking too long.

Prayer Requests!
