

International Society of Fire Service Instructors

2019-2023 Strategic Plan

Our Mission

"Inspiring, supporting and elevating fire service instructors around the world."

Enhance Society Relevancy

Develop a robust society membership package, to drive membership recruitment and retention, by providing resources valued by the instructor.

Instructor Professional Development

Create professional development tracks that support the competency of the instructor.
Cultivate professional mastery and individual potential.

Training Resources

Examine current and potential educational resources to aid instructors in the delivery of high quality training and education.

QRB Training

Deliver Quality Research Based (QRB) training. Continue to be advocates for evidence based practices and procedures in the fire service.

Our Vision

"To be the world's premier fire service instructor organization providing resources to improve safety, efficiency and effectiveness of the fire service."

Society Accessibility & Globalization

Identify and expand our outreach to geographic and organizational sectors of the fire service that we are not currently connected to. Establish and maintain a global membership.

Financial Security

Secure funding to sustain current content and programs and to develop new ones. Expand funding in order to keep membership affordable.

Continuity of Operations

Develop and publish a Continuity of Operations Plan that includes regularly scheduled reviews of the ISFSI organizational structure and by-laws.
